We create a sponsor announcement with you, to be played during live local shows. It will also be played at random on our 24/7 jukebox sessions.

Each sponsor receives an entry on the 93.7 EDGE FM website Sponsors Directory along with logo, contact details, and link to your website or other URL as required.

93.7 EDGE FM is now streaming on the internet. It can be heard by clicking on the "Listen Live" button on our website www.edgefm.org.au

You (plus your family, friends and staff) can also download the Community Plus App to listen from your mobile phone anywhere, anytime.

Situated in beautiful Bega on the Far South Coast of NSW, our transmission covers an area from Merimbula in the South and North to Southern Narooma.

Edge is now streaming – so our listeners could be anywhere and everywhere, from Australia to the UK to the United States!

Our parent, Bega Access Radio, is a registered charity.

We rely on memberships, sponsors and patrons to cover costs, and our many members to keep things ticking along. As a sponsor, as well as being greatly appreciated and valued, you will receive excellent benefits, plus a warm feeling from supporting local community radio.
