*Excl. GST / *Per spot

Short, high impact stingers can be added to your sponsorship package

Thank you for considering supporting your community radio station Edge FM. We use your support to entertain, inform and support our Bega Valley Community. We are heard from Pambula to Tilba and west to Bemboka.

We create a sponsor announcement with you, to be played during live local shows. We can also tailor stingers (7 second) ads and live reads for your organisation or event. Stingers on their own are \$7 per week.

Our sponsors receive an entry on the 93.7 EDGE FM website Sponsors Directory with a link to your website or other URL as required.

93.7 EDFGE FM is now streaming on the internet. It can be heard by clicking on the "Listen Live" button on our website www.edgefm.org.au

You and your family, friends and staff can download the Community Plus App to listen from a mobile phone or car, anywhere, anytime.

BEGA'S COMMUNITY RADIO

Join EDGE FM as a sponsor. Reach and support your community and customers!

93.7 Edge FM
BEGA'S COMMUNITY RADIO

At Edge FM we play a wide variety of music from Blues, Country and Rock, to Metal, First Nations and Pop, and heaps in between.

We air a broad range of local shows, covering theatre and the arts, local events, politics, climate change and local story-telling as well as a selection of shows from the Australian Community Radio Satellite (ComRadSat).

Note that Edge FM now has Gift Recipient status. Donations to Edge are now tax deductible!

Situated in beautiful Bega on the Far South Coast of NSW, our transmission covers an area from Merimbula in the South, North to Southern Narooma and West to Bombala and Bemboka.

Edge FM is now streaming – so our listeners could be anywhere and everywhere, from Australia to Canada, the UK and the United States.

Our parent, Bega Access Radio, is a registered charity. We also have DGR status, so donations to the station are tax deductible.

We rely on memberships, sponsors and patrons to cover costs. Our many members and volunteers work hard to keep things ticking along.

As a sponsor, you are greatly appreciated and valued, you will receive excellent benefits, plus a warm feeling from supporting your local community radio.
